TRADING BOTS

BOT INTELLIGENCE:

Our bot utilizes proprietary artificial intelligence that has been tested and proven across multiple markets. It has been improved upon over 3 years in real trading situations

TRAILINNG STOP LOSS:

Trailing stop loss is an advanced alternative to stop loss. However, this is not offered by default in most exchanges. Our bot is equipped with the function which helps maximize profit and minimize losses.

AUTO BACK TESTING:

Our bot does thousands of simulation with actual historical data in order to compare effectiveness of each strategy and do necessary refinement.

Robert Keeler

Investor

What a Great, Reliable Broker! I have tried other brokers in the past, and can honestly say Robin Hood Mortgages is a hassle - free broker. I especially like that their regulation is in Nottingham, England, unlike the majority. I know my money is safe and secure, most importantly, I've never had any issues with Withdrawals or supports.
